Decision
That the programme is approved.
Reasons
<p>The Panel accepted the visitor's recommendation that the programme should receive approval.</p> <p>The Panel were concerned about the resignation of a member of staff so close to the start of the programme and the increase in learner numbers, and discussed the impact these changes could have on learners.</p> <p>The Panel directed the HCPC Executive to closely monitor and assess the risks with these issues through the Focused Review process. The outcome of this review should be presented to the Panel at an appropriate date to enable the issues to be properly investigated with the provider.</p>
